To All PSA Halifax Customers:

CHILDREN ON THE TERMINAL

It is apparent that the number of trucks brought to PSA Halifax Container Terminal with children in the cab has increased over the past few years. PSA Halifax management would therefore seek to remind customers, their agents and representatives that the terminal is an extremely busy working environment and only persons with legitimate business on the terminal should seek to gain entry.

In the interests of safety, PSA Halifax will refuse access to any vehicle carrying children effective immediately. To be clear, there are no facilities capable of caring for children at the terminal.

We thank you for your cooperation in this matter.
