Definitions

1. "Container" means any freight container complying with all relevant prevailing ISO standards. Generally, it is designed to facilitate the carriage of goods by one or more modes without intermediate reloading; fitted with devices permitting ready handling and with unique identification numbers and markings.
2. "Customer" means importer, exporter, shipping lines and shall include their agents who avail the services of PSA Halifax.
3. "Day" means calendar day unless otherwise specified.
4. "Port Authority" shall mean Halifax Port Authority.
5. "Reefer" means any Container for the purpose of the carriage of goods, which requires Temperature control.
6. "Tonne" and the abbreviation "MT" means metric tonnes of 1000 kilograms and whatever weights declared in measure of Long Ton according to British Unit, the rate of conversion of such ton into metric Unit of weight shall be 1,016.05 kilograms.
7. "Tonne" for liquids in bulk means a metric tonne of 1000 litres in case of liquids whose density is equal to or less than 1 gram per 1 cubic centimetre and a metric tonne equal to 1000 kilograms in case of heavier liquid with density above 1 gram per 1 cubic centimetre.
8. "Vessel" includes any ship, barge, boat, sailing vessels or any other description of vessel used in navigation.
9. "N.O.S." – Not Otherwise Specified.
10. "CFS" Container Freight Station – a bonded facility within the secured ISPS area.
11. "Terminal System" – refers to any and all PSA Halifax Terminal Systems, including but not limited to Tideworks, Customer Portal, Gate Vision and Forecast
12. "POA" – Price on Application.
13. "ERD" – Earliest Receiving Date (export).

Interpretations

1. In relation to specified commodities like wood and timber, wool, unenumerated goods or N.O.S., the weight of which is to be ascertained by measurement (space occupied) tonne shall be equivalent to 1.41584 cubic meters (50 cubic feet);
2. The payment of any rates and charges notified in US Dollars, shall be made in equivalent Canadian Dollars at the reference rate notified by the Central Bank of Canada on the date the vessel is brought alongside the berth.
3. PSA Halifax reserves the rights to amend or update the Schedule of Rates and Charges at any time.
4. All storage and demurrage days will start from the date of discharge unless otherwise specified.

Notes

1. All rates are quoted in Canadian Dollars unless otherwise specified.
2. The rates and charges mentioned hereunder are not inclusive of applicable Service Tax and other applicable taxes, which are chargeable extra.
3. Rates assume Straight Time hours working, between 0800-1200hrs & 1300-1700hrs Monday to Friday, unless otherwise stated. Overtime premiums apply elsewhere.
4. All charges are payable, including any applicable labour fringes (44%) and overhead (22.5%), in exchange of rendering services.
5. All services rendered will be subject to the standard 'Terms of Business' of PSA Halifax, as stated on www.psahalifax.com
